brown bear brown bear pdf - The
brown bear (Ursus arctos) is a
bear that is found across much of
northern Eurasia and North
America. It is one of the largest
living terrestrial members of the
order Carnivora, rivaled in size
only by its closest relative, the
polar bear (Ursus maritimus),
which is much less variable in
size and slightly larger on
average. Thu, 14 Jun 2018
